BREAD MANILA #
donation campaign

"It has surprised and shocked everyone"

Missionaries and Senior Experts Peter and Gisela Kollnberger from Munich start a **donation campaign** for the **BREAD aid project of the Missionary Benedictine Sisters of Tutzing (MBST)** in **Manila** Philippines.

„Cast thy bread upon the waters, for thou shalt find it after many days...”

Wisdom of the Bible, Ecclesiastes Chapter 11, 1

This means: Always be prepared to do good, even if you have no reward to expect. Because one day you will find your reward waiting for you.

BREAD is not only the name but also the program content of the aid project.

BREAD (# **Be**getting , **R**elief, **E**xpress **A**ssistance for the **D**eprived #) gets to the point and spurs us on!

Our vision for and with BREAD:

Over the next 6 months, the donations will be used first of all to provide quick aid for the daily supply of food, drinking water and hygiene products for people in need.

With increasing donations, microcredits will be made available to small businesses for business development.

We quickly decided **to support** the **Missionary Benedictine Sisters of Tutzing** with their current **BREAD project for Manila/ Philippines through a fundraising campaign.**

The Missionary Benedictine Sisters know the struggle for survival of the poor in the more than 20 million metropolis of Manila from daily practice. Suddenly it surprised and shook everyone - because "Corona" ended even the familiar and habitual day-to-day business overnight. "Corona" literally brought the daily takings of the garbage collectors, street vendors and many casual workers to a collapse. Now, daily meals, water, hygiene facilities and small loans count as survival strategies - that's what **BREAD** stands for with name, deed and 24/7 availability on site!

Sister Constance, coordinator and person in charge of the **BREAD** project, told us at the end of July how they, as a Benedictine congregation, are now allowed to carry out their aid programs with only a few exceptions.

Aid project **BREAD** in action

Preparation of food in the kitchen

Packaging of the aid packages in the chapel

Stationary distribution of parcels with food, clean drinking water & hygiene articles at the chapel gate of the sisters.

Mobile distribution of food and hygiene products in the streets of Manila give people the courage to face life and hope again in their often hopeless situation.

Please help, with BREAD we have the possibility to forward every donation 100% unselfishly, directly and quickly to Manila via the Missions Prokura Tutzing.

A hearty **salamat po** (thanks on tagalog) for your help - please spread this unique donation opportunity as far as possible.

I was allowed to live in the Philippines for 3 years and as a former LaSalle High School student in Manila I got to know these dear people in the Philippines as my second home.

„Throw your bread upon the water, for you will find it after many days“

Every drop of water - no matter how big or small - draws bigger and bigger circles, - just as every donation, no matter how big or small, - our gifts bring hope and new courage to live.

Best regards from Peter und Gisela Kollnberger
